

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INTRALATA AND INTERLATA REPORTS ON)	CASE NO.
MINUTES OF USE BY SERVICE)	91-179

O R D E R

On May 9, 1995, BellSouth Telecommunications Corporation d/b/a South Central Bell Telephone Company ("South Central Bell") filed a motion to discontinue filing its quarterly reports of minutes of use. No responses to South Central Bell's motion have been filed.

The Commission has required these reports since 1991. All intraLATA carriers were ordered to file quarterly reports to assist the Commission in evaluating the intraLATA toll market in Administrative Case No. 323.¹ Also, the Commission required interLATA carriers to file quarterly reports of their minutes of use. Pursuant to the December 11, 1992 Order, South Central Bell, GTE South Incorporated ("GTE South"), and Brandenburg Telephone Company file minutes of use, number of messages, and revenues for the residential market and business market segments.

The Commission established the quarterly report to ensure the development of data regarding intraLATA toll markets and interLATA toll markets. The usefulness of the data has not diminished since the inception of the filing requirements. Therefore, this motion

must be denied. However, the Commission will alter the frequency of the reports and now require all carriers to file an annual report of their minutes of use.

The reports for South Central Bell, GTE South, and Brandenburg Telephone Company should continue to be filed in the format attached hereto and incorporated herein as Appendix A. All other telecommunications utilities, except customer-owner coin-operated telephones, should file reports in the formats attached hereto and incorporated herein as Appendix B and Appendix C.

The Commission, having considered South Central Bell's motion and being otherwise sufficiently advised, HEREBY ORDERS that:

1. South Central Bell's motion to discontinue the filing of reports of minutes of use required by June 11, 1991 Order is denied.

2. The quarterly report requirement is hereby changed to an annual report requirement. All carriers shall file an annual report of jurisdictional minutes of use on the applicable format attached hereto and incorporated herein by no later than March 31, 1996 for year ended December 31, 1995 and every year thereafter.

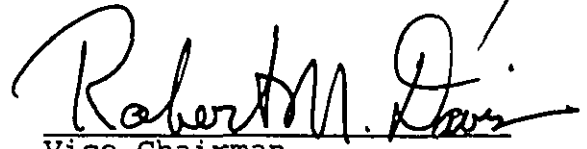

3. The intraLATA and interLATA minutes of use reports filed in this proceeding shall be held and retained by the Commission as confidential and shall not be open for public inspection. All

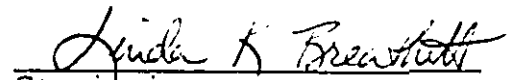

reports and transmittal letters shall be stamped "confidential" to facilitate confidential treatment.

Done at Frankfort, Kentucky, this 16th day of June, 1995.
